**SUPPLEMENTAL RESPONSE TO OFFICE ACTION**

This Supplemental Response is being offered in response to the Notice of Non-Compliant Amendment dated July 9, 2004 in the above-referenced patent application which indicated that Applicant's Amendment filed June 3, 2004 was non-compliant because Applicant's Amendment stated that claims previously amended were indicated as such and not as "Previously *Presented*." The Examiner also indicated that Applicant failed to list each claim in its entirety, including cancelled claims.
